### Fitting Instructions

1. Ensuring the window is closed, position the striking plate against the edge of the fixed frame at the desired height. Fix using two of the screws provided.

**Note:** Ensure that the screws will not touch the glass.

2. With the window still closed, position the lock body on the opening window frame so that it fits over the striking plate. Mark the screw holes and fix.
3. To secure, swing the lock body over the striking plate and lock with the key supplied.
