Digital Door Lock

Reliable

Convenient

Safe

Various access

Yale YDR323 has two access solutions, PIN code or RF Card key for your convenience.

Magic Mirror

A Magic Mirror function is applied, which the keypad number appears on the mirror as soon as a user touches the product. The user can check the rear through the Magic Mirror, so that security can be enhanced.

Safe Thumb-turn

Only if a user pushes the two safe button simultaneously affixed to the thumb-turn knob, the user can turn the thumb-turn knob. Its security is improved compared to a normal knob.

Missing key invalidation

Once you lose your key, it has no validation as long as you re-register rest of your keys.

Modern & thin design

It is the Solid and thin design using digital keypad on a solid base.

High Temperature Alarm

When there's fire, it detects the temperature of the inside. It not only goes off an alarm but also releases the lock status automatically.

Fake PIN code

To prevent the PIN Code from being exposed, It allows you to enter Fake numbers before or after entering your PIN Code.

Remote Control (Optional)

Remote control type is also available. Wireless Floating ID technology is adopted and works up to 50 m.
