

## Home View Cameras.

Yale Home View Cameras offer peace of mind by allowing you to view inside your home from your Smartphone or Tablet in HD720 quality.

### View via Smartphone or Tablet

View live streaming of activity in your home via the Yale Home View App. (Wifi connection or 3G/4G required).

### HD720

High Definition video quality.

### Day/ Night Vision

Full colour day vision and 8m enhanced night vision for low light conditions.

### Two Way Audio

Listen or talk back with built in microphone and speaker.

### File Storage

Add a Micro SD card to your camera for additional removable storage (Micro SD Card not included) or back up to a Dropbox account (A Micro SD Card must be fitted in the home view camera for Dropbox to work).

### Motion and sound detector

Alerts you when motion is detected (optional).

### Easy to Set up

Get set up and ready to use in minutes following the easy to set-up in the APP.

### No Monthly Fee

Save images and video to your Smartphone or Tablet memory, a Micro SD Card (not supplied) or backup to Dropbox (optional).

### Pan Tilt Zoom

Rotate the camera, change the viewing angle and zoom in and out remotely from your Smartphone or Tablet. (WIPC-301W Camera – Only Zoom)
