

Contract Range

Yale[®]

Contract Range

The new contract range of door furniture from Yale is a timeless selection of handles in both traditional and contemporary finishes. This range offers style and function at an affordable price.

Features

- A range of furniture available in the following formats:
 - Pair of handles
 - Internal door packs (1 pair of handles, 1 tubular latch and 2 hinges)
 - Multi packs (3 pairs of handles, 3 tubular latches and 6 hinges)
 - Handle packs (3 pairs of handles)
- All lever handles are fully sprung to provide a smooth and positive return to the latched position
- Handles are suitable for most applications and are supplied with standard 8mm spindles to suit UK tubular latches or mortice latches and locks
- Lock and bathroom back plate's suit UK standard locks with 57mm centres

Handle care

- It is advisable to lubricate moving parts prior to fixing
- Great care has been applied to produce a lasting finish. Regular cleaning with a moist cloth is the only maintenance required. Do not use abrasive cleaners

Testing

- All Yale Contract lever handles have successfully completed 100,000 cycle durability testing in accordance with BS EN 1906:2002
- All Yale Contract door furniture is subject to corrosion testing to BS EN 1670 Grade 3 and has successfully proven that it is suitable for both internal and external application

Guarantee

- The confidence of Yale in product testing means that all of the Yale Contract range carries a 5 year mechanical guarantee.
